Resident Council Hosts Father's Day Celebration

The Lafayette Housing Authority's Resident Council will host a Father's Day Celebration on Saturday, June 9, 2018 from 11:00 a. m. to 1:45 p.m. at the Macon Road Development Site (300 Macon Road).

The Department of Housing and Urban Development's Strong Families Initiative builds upon HUD's longstanding Father's Day efforts to involve fathers in the lives of their children. This year HUD is expanding the focus to include mothers, children and parents of all kinds!

Opening prayer will be delivered by Felton and Clara Duncan. Guest speakers will include representatives from Louisiana Excel Care, the Surrey Street Community Health Center and more.

Children must be accompanied by an adult and will enjoy water slides, snowballs, and cotton candy. Other refreshments will also be served.

Families from all development sites (Macon, Martin Luther King, Simcoe, Moss, Irene and C. O. Circle) are cordially invited to attend.

Event Date:

Saturday,
June 9, 2018
