TURN RENT INCREASES INTO SAVINGS

FAMILY SELF- SUFFICIENCY PROGRAM

SELF-SUFFICIENCY

Are you looking for:

- Education?
- Training?
- Employment?
- Household Skills and Management?
- Financial Skills?
- Counseling?
- Other Services?

The FSS program seeks to help YOU become self-sufficient. We help and encourage you to reach your goals!

How It Works

A Coordinator will meet with you to assess you and/or your family's needs and goals. Then the Coordinator will work with you to develop an Individual Training and Services Plan. When you complete the goals in this plan, you graduate from the FSS program!

You're Not Alone

The Coordinator will continue to help you for the next 5 years and will refer you to resources and services you need to succeed!

WHY? SAVINGS!

As a participant in the FSS program, you will get to experience a real savings benefit. Every time your family's rent increases, that increase is automatically saved into an escrow account and YOU will be able to access that savings upon graduation from the FSS Program!

WATCH THAT ESCROW GROW!

Monthly Escrow Calculation Example

	New Monthly Rent	\$ 350.00
Minus (-)	Monthly Rent at Start of Program	\$ 150.00
	Monthly Escrow Calculation	\$ 200.00
